REGENSBURG

- **Old Stone Bridge** - The 12th-century Stone Bridge, a 310m-long icon with 16 arches, crosses the river to the old town. The historic hub of Regensburg is Old Town, which separates it from Stadtamhof, but now incorporated into Regensburg, just across the Old Stone Bridge. The bridge is now used only for pedestrian traffic and offers great views of the Danube.
- **St. Emmeram's Abbey** – also known as St. Emmeram's Basilica, was a Benedictine monastery founded in about 739 in Regensburg in Bavaria. Between 1731 and 1733, the brothers Cosmas Damia and Egid Asam leading to a Baroque refurbishment of the buildings. After the abbey's dissolution in the early 19th century, the Princes of Thurn und Taxis converted the buildings into a palace.
- **Schloss St. Emmeram, Thurn und Taxis** - also known as St. Emmeram's Palace, the Palace was given to the family of Franz Von Taxis in the 16th century as recognition of his services of setting up the first European postal system. The Thurn and Taxis converted the monastery into a fancy schloss, with the 517-rooms, a romanesque-Gothic cloister, a neo-Renaissance marble staircase, a number of Rococo and neo-Rococo staterooms, and a Baroque library frescoed in 1737. These days, Schloss St. Emmeram isn't only a princely home but an event venue, museum, home for the elderly, soup kitchen, administration building and much more.

MUNICH

- **Frauenkirche** - or the Church of Our Dear Lady, is the biggest church in the city, built on top of a Romanesque church that dated back to the 12th century, the enormous Gothic-style Cathedral was completed in 1488, with the domes crowning its towers in 1525 at 99 metres in height, were finally covered with peculiar green domes.
- **Marienplatz** - its current name owes its origins to the famous Marian Column located in the centre of the square, it was originally called Schranrenplatz, or Grain Market Square, as it was the main marketplace in the Middle Ages.
- **Rathaus Glockenspiel** - Every day at 11 a.m. and 12 p.m. it chimes and re-enacts two stories from the 16th century to the amusement. It consists of 43 bells and 32 life-sized figures. The top half of the Glockenspiel tells the story of the marriage of the local Duke Wilhelm V to Renata of Lorraine. Second story: Schäfflertanz (the coopers' dance). According to myth, 1517 was a year of plague in Munich. The coopers are said to have danced through the streets to "bring fresh vitality to fearful dispositions."
